SENATE CONCURRENT RESOLUTION

A CONCURRENT RESOLUTION urging the establishment of an interim study committee to review the procedures dealing with probation and parole.

Whereas, The term "probation" refers to a procedure under which an order by a judge is issued as an alternative to incarceration and allows the convicted person to remain in the community;

Whereas, Parole is ordered by the Parole Board and allows the convicted person to complete the sentence in the community;

Whereas, The laws regarding probation and parole were created to help rehabilitate an offender and to return the offender to a productive role in society; and

Whereas, If these procedures become a detriment to society instead of an enhancement, it is time to review the effectiveness of such procedures: Therefore,

Be it resolved by the Senate of the General Assembly of the State of Indiana, the House of Representatives concurring:

1 SECTION 1. That the legislative council is urged to establish a
2 commission to study the procedures dealing with probation and parole
3 in Indiana's correctional system.

4 SECTION 2. That the committee, if established, shall operate under
5 the direction of the legislative council and that the committee shall
6 issue a final report when directed to do so by the council.
